

DIGI to present Top-Notch Hospitality Solutions, Powered by Innovation at Franchising & Licensing Asia

DIGI/TERAOKA will be presenting a range of top-notch hospitality solutions at Franchising & Licensing Asia 2017. The world's most international annual affair that brings industry players from over 20 countries, to exhibit and share their expertise in the franchising and licensing industry.

This exhibition will take place in Singapore Marina Bay Sands from 12th to 14th October, DIGI/TERAOKA booth will be located at Singapore Pavilion, booth #E23.

The compact and powerful new generation POS system, Delious PICO, offers several exceptional built-in features that aids in improving operators' productivity. Cloud-based remote data management systems use the latest technology to allow simple data management at your convenience, with the internet connection.

Together with the team, we look forward to your utmost support for this event!
